WICKET MEN

Annual Meeting of the Cricket Club.

Definite Season is Fixed and a New Slate of Officers Elected--A Successful Season.

The annual meeting of the Honolulu Cricket Club was held last night in the parlors of the Arlington Hotel, the following members being present: Messrs. Jordan, Blackman, Bottomley, Horace Wright, Bussell, Bannister, C. F. Anderson, D. W. Anderson, Sinclair, Harvey, Ayres, Kitchin, Watson, Irvine, Cockburn, Hogg, Stanley, Seymour and C. F. Fitz Hall.

President Stanley was in the chair. He reviewed the past season and congratulated the club on the progress it had made during the season. The club, he said, was on a firmer financial basis than ever before, and practically clear of debt as far as current expenses went. He referred feelingly to the sad loss the club had sustained by the death of Rev. J. Lane, whose influence in the club, he said, had been greatly for good. He suggested the desirability of defining a regular season for cricket in Honolulu, and closed his remarks by thanking his fellow officers for the assistance they had rendered him.

The secretary, Rev. Mr. Kitchin, reported a balance of \$2.40 in hand, and stated that while there was only \$6.60 outstanding in bills, there was \$50 collectable from various sources. His report was unanimously accepted.

C. G. Ballentyne, chairman of the concrete pitch committee, said that the cost had been \$45 more than anticipated and that that amount was still owing to Fred Harrison. It was decided to give the committee further time to canvass for subscriptions to wipe off the debt.

Owing to the illness of the captain, Mr. H. L. Herbert, the financial report of the smoking concert was not available. It is understood, however, that there is a credit balance of over \$10.

The following resolutions were moved by Rev. V. H. Kitchin and unanimously adopted:

1. That the Honolulu Cricket Club desire to put on record its sense of the loss it has sustained in the death of the Rev. J. F. Lane.

2. That a subscription list having been already circulated privately among members of the club, with a view to a suitable memorial, such list, with the consent of all the subscribers, be adopted by the club.

3. That a committee be appointed to carry out the arrangements for the memorial and be instructed to confer with the authorities of St. Andrew's Cathedral for permission to put in a stained glass window with a suitable inscription.

4. That a copy of this resolution be forwarded to the family of Mr. Lane in England.

It was decided to limit the season in future to six months, commencing May 1st, and to have practice net erected every Wednesday afternoon at Makiki for the convenience of members.

An unanimous vote of thanks was tendered British Commissioner Hoare for the generous use of his ground during the past season.

The following officers were elected for the coming year: President, Judge Stanley; vice-president, R. A. Jordan; secretary and treasurer, R. A. Jordan; captain, D. W. Anderson; vice-captain, A. W. Bottomley; executive officers, H. B. Sinclair, R. Anderson, J. L. Cockburn.

After the customary votes of thanks the meeting adjourned.

SUMMARY OF THE SEASON 1899-1900.
 The season practically started last August, with the inauguration of the use of concrete pitch.

During the past season the Honolulu Cricket Club proper has played four matches with foreign teams, of which three were won, while the other resulted in a tie. Following is the history of these games:

Won from H. M. S. Egeria, by 44 runs.
 Won from H. M. S. Egeria and Visitors, by 2 wickets and 22 runs.
 Won from Ship Aspic, by an innings and 122 runs.
 Tied with Ship Enrol.

Analysis unobtainable.

Some Cricket Cracks.
 E. Parish is probably the best field in the club, and a very useful bowler. S. C. Biddell, another new member is

a "smiter" and bowls a fast, well pitched ball.

H. B. Sinclair is another good all-around man, whose play is improving right along.

L. G. Blackman, also a newcomer, has shown promise of distinguishing himself in the near future.

J. W. Harvey is probably the best all-round player in the team, always good for runs, and a dangerous bowler.

D. W. Anderson will undoubtedly make his mark in the coming season. When set he is a difficult man to dispose of.

Judge Stanley is a reliable wicket-keeper and a fair bat. He is a converted base ball man and is doing well by his new love.

A. W. Bottomley is a recent acquisition, and perhaps the prettiest bat in Honolulu today. His cricket is correct to a degree.

J. L. Cockburn is a good all-round man, who has not had the best of luck during the past season. He bowls a fast ball, but is somewhat erratic in pitch.

Hatfield, who it is hoped will be seen on the field more frequently during the ensuing season, is one of the principal steady-bats with the ball, and a good field.

R. A. Jordan, the father of local cricket, is, as usual, up in the list of averages for the season. He is the man par excellence to fire out a dangerous bowler, and his slow "lobs" are as insidious as of yore.

Robert Anderson was born in Selkirk, Scotland, and has played cricket as long as he can remember. He heads the list of batting averages for the past local season, with the excellent figures of 617. His aggregate is 247 and his best score 73 not out. He is a useful change bowler with a puzzling ball, and a sure field. He plays football and golf as well as he does cricket.

AT THE ORPHEUM.
 Several Novelties Make the New Program Most Attractive.

There was a good house at the Orpheum last night to see the new bill which turned out to be a most attractive one. "Winifred's Husband" is an amusing creation in a most effective and natural manner. Miss Bradley strengthened the favorable impression in which her acting is already held by a very able impersonation. Miss Sirena Navarro cleverly sustained a soubrette role, and Logan played the part of a grumpy old guardian successfully.

Several new and pretty dresses were donned by the ladies while mention is due the stage setting, which was par excellence the most effective yet put on the Orpheum stage. It was well dressed with naturally disposed furniture and hangings, a consummation most desirable but rare.

The newly presented feature of Illustrated songs rendered by Sausbury to pictures, furnished by Stanley is a capital number, the pictures being especially posed for the selections, the subjects happily chosen and the coloring effectively done. Miss Moss sang exceedingly well. Dodson secured plenty of applause while Baby Ruth received her highly ovation.

The dancing act of Liver's, assisted by Misses Navarro and Price was another excellent number. The second series of the Shadowgraphs, life size, was a laugh-making series; Hogan showing that his individuality could show itself in a "silhouette" profile as well as in full comedian rig.

KAMALO PLANTATION.
 Frank Hustace Talks on its Condition and Prospect.

In relation to the news from Kama-kai to the effect that the Kamalo plantation is cutting down expenses by discharging free laborers and making other retrenchments, Frank Hustace, a member of the company, said yesterday:

"The company is at present unable to pay its employees, but hopes to be able to do so and to retain enough of them to preserve the growing crop. It is useless at this time to try and plant any more cane, as the company is not able to build a mill, and the expectation of grinding its cane at the American Sugar Company's mill is now gone. There is quite an acreage of growing cane, which is valuable for seed cane, and offers to buy some of it have already been received. It is the hope of the management that the plantation in its present state of development can be preserved, so that when the financial condition grows better development can proceed without having to do over valuable work that has already been done. It is hoped now that the plantation may be saved from bankruptcy, and that work can be recommenced next year."

Late Police Items.
 Twenty-six Chinese gamblers were arrested in new Chinatown last night and brought to the Police station.

McGettigan, the yeoman of the U. S. S. Iroquois, was arrested last evening and charged with being drunk. He was released on bail.

Jules Etienne and Emanuel Fernandez, against whom are registered charges of "deadly weapon," were arrested during the afternoon.

Another of the Japanese procurers was brought in last night by officer Toma.

A friend of William M. Everts declares that the ex-Senator's old joke about owning his long life to the fact that he takes no exercise has a foundation in fact inasmuch as Mr. Everts detests exercise and will take a cab to go a block.
